

## Call for Papers

### Journal of Nuclear Fuel Cycle and Waste Technology (JNFCWT) Special Issue on GLOBAL 2017

The Organizing Committee of the *GLOBAL 2017, International Nuclear Fuel Cycle Conference*, greatly appreciate all authors' paper submission and participation in the conference.

Selected papers from the GLOBAL 2017 will be published as a special issue of "*Journal of Nuclear Fuel Cycle and Waste Technology (JNFCWT)*" in December 2017 providing that the authors permit the publication. The note calling on publication permission will reach to potential authors after the conference. Then submission guideline will be sent if publication permitted.

#### About the "Journal of Nuclear Fuel Cycle and Waste Technology (JNFCWT)"

*Journal of Nuclear Fuel Cycle and Waste Technology (JNFCWT)*, a quarterly journal published by the *Korean Radioactive Waste Society (KRS)*, publishes high quality original papers and technical notes in various fields of nuclear fuel cycle, nuclear fuel cycle related advanced nuclear reactors, transportation and storage, spent fuel recycling and reprocessing, waste management, radioactive waste disposal, radiation safety, decontamination and decommissioning, environmental remediation, nuclear safeguard, nuclear policy, and nuclear non-proliferation etc. The journal was first published in 2003 under the name "*Journal of the Korean Radioactive Waste Society (JKRWS)*", which has been renamed to *Journal of Nuclear Fuel Cycle and Waste Technology (JNFCWT)* in 2013.
